Dear Parents/Teachers/Students,

Winnipeg Studio Theatre is offering **FREE** tuition (\$450.00 value) to **Summer StudioWorks 2017** at the Asper Centre for Theatre and Film to TWO recipients - Junior (age 10-14) and Senior (age 15 and up). This triple threat program offers intensive training in acting, singing, dance and theatre arts and is taught by Manitoba's finest musical theatre specialists.

The program runs July 10-14th from 9:00 - 5:00 pm daily culminating with a Showcase presentation and optional attendance to the Canada Summer Games Opening/Closing Ceremonies. It also includes a special recording opportunity at Sunshine Records. Please feel free to share this information with any friends, family members and or students who may demonstrate a passion and desire to excel in musical theatre as entrance is by audition only.

The musical theatre auditions will take place between now and May 15th and will be scheduled on a one to one basis. Please call to arrange an appointment time and location.

Students should prepare a song of their choice, preferably from the musical theatre repertoire. Please bring sheet music in the appropriate key or a karaoke track to perform with. The student will also be required to read and interpret a short theatre monologue and be prepared to take direction from Director Brenda Gorlick. The process will take approximately 1/2 hour.

Please submit a recent photo and resume in advance of your audition. A scanned school photo is fine and the resume should reflect your performing arts background.

For all students who audition and are accepted into the **Summer StudioWorks** program but do **NOT** receive a bursary, a discounted rate of 10% will be offered (\$405.00) which will cover the entire 40 hr. program. WST's StudioWorks program also runs year-round (September thru May) in addition to the summer session. Entry is by audition only. For more information on this program or our Adults Only session, please check out our website at: www.winnipegstudiotheatre.com

If you have any further questions, please don't hesitate to call me. Thanks so much for your interest.
